Note: Images must be clear and names / signs must be legible in Submitted prints. Prints that are blurred, fuzzy, illegible or unrecognizable will not receive points. Photo elements: **Your Harley Davidson motorcycle must be in each photo. The cover of a 2017 HOG\* magazine or the 2017 H.O.G. Touring Handbook Cover must be clearly identifiable in each photo.** Go to [hog.com/abc](http://hog.com/abc) to download a printable version of the 2017 HOG Magazine cover and start your adventure ASAP. An Official Sign is defined as: A sign with the name of the city, village, town or pass name on the sign. An example of an acceptable sign would be: Beartooth Pass elev. 10947 ft. You may also have signs with your bike and the cover sheet without any identification name on the sign. These signs must have different elevations to be eligible for this contest. Signs clearly or otherwise meant to be used to define length, not elevation will be dealt with most harshly, (i.e.: next exit 500 ft. or passing lane 1000 ft.)

How do I earn points?: Ride to a location with an elevation sign and snap a picture within the guidelines above.

**Special Note: All elevations below sea level will earn double points. All elevations at sea level will be tripled!** You then list the name of the location along with the elevation for the sign. You then total up the elevations collected place that number in the assigned spot on the form. Please bundle your photos in the same order in which they are written on the entry form. Failure to follow these directions will be deemed invalid and thrown out immediately. Have a nice day, Irving!
